## Verification of Untreated and Non-Genetically Modified Organisms (Non-GMO) Seeds and Planting Stock

Producer name: \_\_\_\_\_ Crop Year: \_\_\_\_\_

*Provide the following information regarding each seed or planting stock variety purchased. This form must be signed by an authorized representative of the company selling the seed or planting stock. Producers who are also seed company representatives and sell seed to their own farming operation must have this document signed by another authorized representative.*

Type(s) Soybeans, corn, tomatoes, etc.	Variety/varieties specify variety names/numbers	Identify any substances that were applied to seeds

I attest that the seed varieties and/or planting stock listed above are not the result of genetic engineering or genetically modified organisms (derived from modification of DNA), and have not been treated with synthetic materials prohibited by the National Organic Program.
